
INFORMATION ON THE PROCESSING OF PERSONAL DATA

The Supplier acknowledges that the provisions of the Privacy Law - Regulation (EU) 2016/679 of the European Parliament and of the Council of April 27, 2016 concerning the protection of individuals with regard to the processing of their personal data, hereinafter "GDPR" - concern the processing of personal data relating to physical persons only, acquired and processed by the Customer for the conclusion and execution of the Contract and are not applicable to data referring to companies, organisations and associations.

For the purposes of this Contract, the Customer may process personal data concerning (i) the Supplier, in the case of an individual company or professional, and/or in any case (ii) the representatives, officials, employees or collaborators of the Supplier.

The Supplier declares to be aware, pursuant to art. 13 of the GDPR, that personal data is communicated by the same for the conclusion and execution of the Contract, is collected and processed by the Customer, as Data Controller, exclusively for these purposes and for the related regulatory, administrative and accounting obligations, through appropriate methods and procedures (also computerised), through specially authorised internal staff and through external collaborators designated as controllers or authorised to carry out single operations of the same.

The Supplier acknowledges that, with respect to personal data processed for the conclusion and execution of this Contract, the individual to whom the data refers ("Data Subject") has the right of access, rectification, limitation, cancellation, portability and opposition (Articles 15-22 of the GDPR), as well as the right to lodge a complaint with the Italian Privacy Authority.

It is the responsibility of the Supplier to guarantee the lawful usability of personal data regarding, by mere way of example, any of its representatives, officials, employees and collaborators, which is communicated to the Customer for the purposes of concluding and executing the Contract and, in particular, the correct fulfilment of the disclosure obligations towards the Data Subjects as well as, where necessary, collection of their consent, as regards the processing of their personal data by the Customer for the aforementioned purposes in the terms set out above.
